

Limited Warranty Statement for ECSOLAR PV

Modules

(valid from 03.01.2015)

1. Limited Product Warranty– Twelve Years Repair, Replacement or Refund Remedy

Wuxi Saijing Solar Energy Co., Ltd. (ECSOLAR) warrants its Photovoltaic Solar Modules (MODULES), including factory-assembled DC connectors and cables, if any, to be free from defect in materials and workmanship which would impact the functionality of the product under normal application, installation, use and service conditions. The duration of this limited warranty is one hundred and forty-four (144) months from the date of delivery in the original packing to the first customer (CUSTOMER) of the ECSOLAR products.

Claims under the warranty can only be accepted if the buyer can provide the proof that the malfunctioning or non-conformity of MODULES results exclusively from defects in materials and/or workmanship under normal application, installation, use and service conditions. If MODULES fail to conform to this warranty, ECSOLAR will, at its option, either repair or replace the product, or refund a reasonable, pro-rated portion of the purchase price.

The repair or replacement or refund remedy shall be the sole and exclusive remedy provided under the "Limited Product Warranty" and shall not extend beyond the one hundred and forty-four (144) months period set forth herein. This "Limited Product Warranty" does not warrant a specific power output, which shall be exclusively covered under clause 2 hereinafter ("Limited Performance Warranty").

2. Limited Performance Warranty

A. 12 years

If, within a period of twelve (12) years from the date of delivery in the original packing to the CUSTOMER, any MODULE(s) under normal application, installation, use and service conditions exhibits a power output less than 90 % of the minimum "Peak Power at STC" as specified in ECSOLAR's Product Data Sheet, provided that such loss in power is determined by ECSOLAR (at its sole and absolute discretion) to be due exclusively to defects in materials or workmanship, ECSOLAR will compensate for such loss in power by either providing to the buyer additional MODULE(s) to make up the total wattage loss, at a cost pro-rated for the time in service of the faulty MODULE(s), or by repairing or replacing the faulty MODULE(s), at the option of ECSOLAR.

B. 25 years

If, within a period of twenty-five (25) years from the date of delivery in the original packing to the CUSTOMER, any MODULE(s) under normal application, installation, use and service conditions exhibits a power output less than 80 % of the minimum "Peak Power at STC" as specified in ECSOLAR's Product Data Sheet, provided that such loss in power is determined by ECSOLAR (at its sole and absolute discretion) to be due exclusively to defects in materials or workmanship, ECSOLAR will compensate for such loss in power by either providing to the buyer additional MODULE(s) to make up the total wattage loss, at a cost pro-rated for the time in service of the faulty MODULE(s), or by repairing or replacing the faulty MODULE(s), at the option of ECSOLAR.

The remedies set forth in this clause 2 shall be the sole and exclusive remedies provided under the "Limited Performance Warranty".

3. Exclusions and Limitations

Warranty claims must be received within the applicable warranty period for this warranty to be effective.

Both the "Limited Product Warranty" and the "Limited Performance Warranty" do not apply to any MODULE(s) which have been subjected to:

- 1) Misuse, abuse, neglect or accident;
- 2) Alteration, improper installation or application;
- 3) Improper repair or modifications;
- 4) Power failure surges, lightning, flood, fire, accidental breakage or other events outside ECSOLAR's control.

Both the "Limited Product Warranty" and the "Limited Performance Warranty" do not cover any transportation costs for return of the MODULE(s) or for reshipment of any repaired or replaced MODULE(s) or cost associated with installation, removal or reinstallation of the MODULE(s).

Warranty claims will not be honored if the type or serial number of the MODULES have been altered, removed or made illegible.

4. Contacts
